The page is framed by a border of pink hearts of varying shades, from light pink to dark magenta. The hearts are arranged in a grid-like pattern, with some hearts appearing slightly larger or more prominent than others, creating a textured, decorative border around the central text.

Pink Aid. Funding Breast Cancer Support Services for Local Women in Need.

When a woman is diagnosed with breast cancer, she needs a lot more than medical help. She needs rides to and from treatments, babysitting, grocery delivery, wigs, recovery garments and much more.

Many women in and around our communities cannot afford to go through treatment with the proper care and dignity. Many also need free mammograms to help with early detection.

Pink Aid is a grant-based organization being formed specifically to help fund groups that provide compassionate services to uninsured and under-insured women with breast cancer... first locally and ultimately beyond.

Pink Aid's first year grant recipients are Norwalk Hospital's Smilow Family Breast Health Center and St. Vincent's Swim Across the Sound to support women with breast cancer.

Please join us for Pink Aid's first fundraiser ever... an exciting and emotional event, filled with many of our community's most vibrant and compassionate women!
